ROLL CALL

WEST CREIGHTON AVE

CHURCH OF CHRIST

April 2, 1905.

PREFACE

In presenting this list of members for the Roll Call today, perfection is not claimed for it, but no pains has been spared to make it as complete as possible. There may be some members whose names do not appear on the Church Record. The chief reason for this is, that in the joy of the fellowship of the new member, the matter of enrolling is overlooked and in no case has it been wilfully neglected. Should any mistakes of this character be found, we will be only too glad to rectify it and apologize for the omission.

There may be some who will be surprised at seeing their names on the list on account of their own withdrawel from the fellowship of God's people, and continued absence from all Church services. To such we say; we still hold you in loving remembrance for what you were once, and are praying and hoping that the day will not be distant when our fellowship will be again enjoyed. The Master above is waiting for it too.

"Let us hold fast the profession of our faith without wavering; [for he is faithful that promised:] And let us consider one another, to provoke unto love and good works: Not forsaking the assembling of ourselves together, as the manner of some is: but exhorting one another: and so much the more as ye see the day approaching. Heb x 23-25,
